Businesses can play a critical role in protecting and restoring the Chesapeake Bay and its watershed. *Businesses for the Bay*, a program of the Alliance for the Chesapeake Bay, is an innovative, membership-based, business partnership. This membership association provides the Chesapeake business community with a unique opportunity to network, gain recognition, and motivate employees.

## *Businesses Going Beyond Compliance*

### **Our mission:**

- ◆ To encourage businesses to take voluntary, innovative, and measurable actions to improve water quality and the health of the Chesapeake Bay and its surrounding waterways.
- ◆ To raise public understanding of the valuable role business members play in environmental restoration.
- ◆ To provide businesses with a forum, allowing them to make their voices heard, share best practices, save money, reach sustainability goals, facilitate volunteer opportunities for employees, and promote environmental efforts.
